Loved Bitter Ink. Articles were informative about Chapter Events. Liked Mark Your Calendar.

Judge Number Two

The articles are all well-written and informative about chapter and regional news and events. The President's message and the comic strip were both consistently excellent, and a pleasure to read.

Design and Delivery

Judge Number One

Art was colorful.

Judge Number Two

The cover page is extremely well-designed, with a beautiful masthead and an original, professional TOC. Icons and graphics, as well as the different methods for breaking up the page with boxes and shading, add to the visual variety of the pages. I especially liked the design of the “Edmonton Events” section – that’s a really original and visually pleasing element. The consistency of this element in all issues is a plus.
