Very clean, simple interface. No unnecessary clutter.

Going monthly is a good idea, as the news is more current.

Very nice work! One of the better online newsletters I've seen. (And it's TRULY an online newsletter, not just a traditional newsletter converted to PDF.)

I know that producing a monthly newsletter is a big undertaking. Added to that is the need to meet a large geographic area. Having two chapter meetings a month takes a huge amount of coordination. Congratulations to you and the chapter officers for your impressive efforts. I find many helpful links and interesting educational opportunities.

I like how you bold the names of members

I like the link to prior issues.

Very easy to read. No cute stuff.

The printable version and "Send to a friend" are great!

Keep up the great work! Your members are lucky to have such a great resource.
