### Editorial Quality

The Related Organization Spotlight is a great service to your readers.

I liked the symbol at the end of stories.

#### ***Judge Number Two***

Each of the three issues contains a great deal of information!  
I find them interesting and like the level of details provided.  
The photos in all three newsletters are just great.

### Design and Delivery

I liked that the meeting info is in the same place every time.

Photos were of good quality

***Judge Number Two***

The photos in every issue add a great deal to the presentation. I think readers are encouraged to attend meetings and other events after seeing everyone enjoying the event.

I really like the wave icon to indicate the end of an article.

The paper stock and color make this newsletter appealing to me. Keep up the great job!
